

Request for Reconsideration

Materials at the Ashby Free Public Library seek to provide access to the historical record of our society and to serve the cultural, informational, and educational needs of our community. The collection serves the needs of people of all ages and interests.

The Library respects the freedom of information for its users and adheres to the principles expressed in the American Library Association's Library Bill of Rights and Freedom to Read and Freedom to View statements . The Library's goal is to offer a diversity of ideas and opinions including those which may be unorthodox or controversial. The Library opposes any attempts by individuals or groups to censor items in its collection. If you feel that material in our collection is not appropriate for the needs of the community, we welcome your feedback. Please elaborate fully on your request for reconsideration.
